How OUR Mulligans work

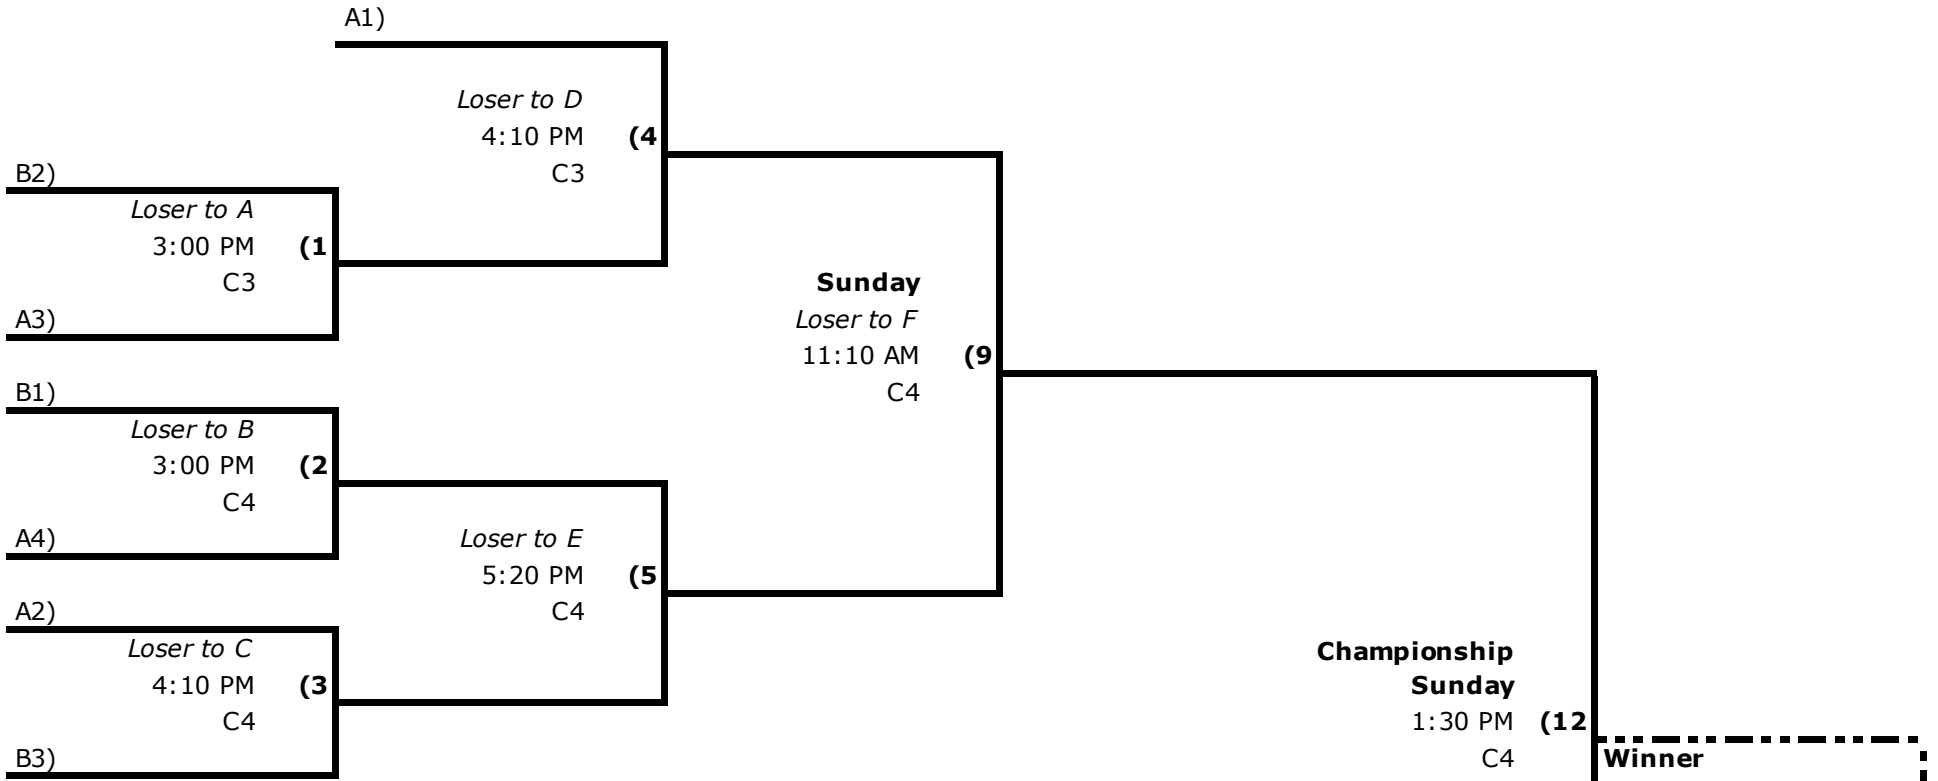

This is often referred to as a "Redo" option in other tournaments. Teams MUST purchase or have on hand a mulligan prior to the first pitch of each game to use them. The cost is \$5 and paid directly to the tourney director. 100% of this \$5 fee goes directly to American Cancer Associaiton! Here's how the mulligan works. It may be used only ONCE per game. It allows a team, while playing either offense OR defense, to force a player to bat again with the hopes of changing the original outcome of that player's at-bat. For example: It's the bottom of the 5th inning, defense (visiting team) is winning by 2 runs. Offense is home team and has bases loaded and 2 outs. Batter 7 steps into the box and hits a line drive gapper to the fence and 3 runs score and it appears they have won the game by 1 run. The manager from the visiting team runs in from left field and wants to use their mulligan. THIS IS GOOD. You return all runners to the bases they occupied prior to batter 7 hitting, and batter 7 returns to the plate with a fresh, new 1-1 count to try again. Let's say in this scenario, batter 7 now pops up for the third out and it appears they have lost the game. The Home Team could, if they had not previously used their mulligan, use their mulligan to have batter 7 return to the plate AGAIN, with a fresh, new 1-1 count to try once more. **Just remember, the mulligan can ONLY be used once per game and can ONLY be used to force a player to bat again.**

21) Champions of each tourney get 15 custom jerseys for the players that play in the tourney, everyone gets entered in a drawing for some swag

22) Unless listed above, all other Anchorage Sports tourney rules apply

23) Shelled nuts, glass bottles, metal cleats, and pets are not allowed in the Cartee complex.
